LEMIS ELECTRONICS INDIA PVT. LTD, is an esteemed concern dedicated to design, development, manufacture and marketing of all types of LED based luminaries to use in indoor and outdoor applications. Our products are mainly LED street lights, Solar Street Lights, LED Flood Lights, LED Down Lights, and many more in premium quality.

Why should you choose only LEMIS LED Lights? In what way the LEMIS LED Lights are different from the LED Lights manufactured by other LED Light manufactures?

We are high quality conscious and responsive to customer needs and feelings with implementing any change immediately as we are intended to be the leader in the solid state lighting field. Our team with the mixture of young and experienced engineers is whole heartedly striving to meet the commitments.

We stand one among very few promising and fast growing entrepreneurs in LED LIGHT manufacturers in India and our focus is on improvement continually and cost effectiveness to customer delight.

Our products are trustable because they are continuously on rapid trails and regress tests to improve the quality by incorporating new ideas, latest technology and innovations time and then. We ensure that only the best is delivered to our customers.

Lemis Electronics

Indoor Lights – Down Lights/False ceiling Lights

LEIPL - DCDL – 12W - AC

Total Power
LED Initial Flux
Colour

12W
660 lm
White, Warm white

Also available in 18W And 24W/Square shape

LEIPL-SMDL–60W - AC

Total Power
LED Initial Flux
Colour

60W
6600 lm
White, Warm white

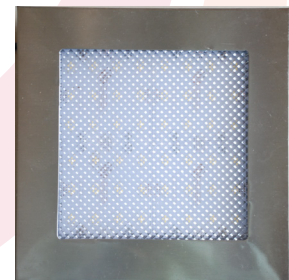

Also available in 1x1 ft -18W, 24W And 2x2 ft 48W, 70W.

Ceiling Lights

LEIPL - SMCL – 42W - AC

Total Power
LED Initial Flux
Colour

30W
1650 lm
White, Warm white

LEIPL-SMCL– 42-AC

Total Power
LED Initial Flux
Colour

42W
2310lm
White, Warm white

Also available in 09W, 12W, 18W, 24W, 36W, 48W, 60W and 70W.
AC/ DC versions, different sizes & customized designs.

Lemis Electronics

Indoor Lights – Domestic Bulbs

LEIPL-DB – 06W - AC

Total Power
LED Initial Flux
Colour
Base

06W
330 lm
White, Warm white
B22, E27.

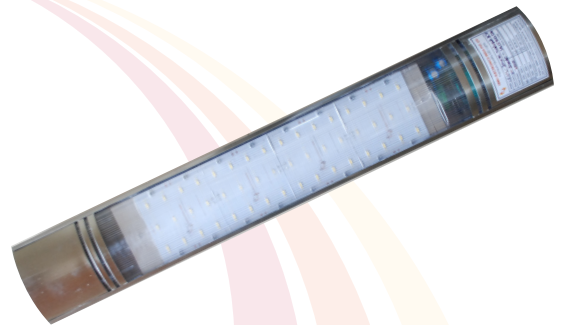

Also available in 4W, 8W, 12W,
AC/ DC versions & customized designs.

Wall Lights

LEIPL-WL – 30W - AC

Total Power
LED Initial Flux
Colour
Life

30W
3300 lm
White, Warm white
>50,000 hrs

Also available in 12W, 18W, 48W, AC/ DC
versions & customized designs.

Outdoor Lights – Garden Lights

LEIPL-DC GGL-18W-AC

Total Power
LED Initial Flux
Colour
Life

18W
1980 lm
White, Warm white
>50,000 hrs

Post Top Light

LEIPL-DC PTL-36W-AC

Total Power
LED Initial Flux
Colour
Life

36W
3960 lm
White, Warm white
>50,000 hrs

Lemis Electronics

Outdoor Lights – Street Lights

LEIPL-DCSL-15W-AC

Total Power 15W
LED Initial Flux 1650 lm
Colour White, Warm white

LEIPL-DCSL-48W-AC

Total Power 48W
LED Initial Flux 5280 lm
Colour White, Warm white

LEIPL-DCSL-120W-AC

Total Power 120W
LED Initial Flux 13200 lm
Colour White, Warm white

Also available in 30W, 36W, 60W, 90W and 150W.
AC/ DC versions & customized designs.

Solar LED Street Lights

LED Lights :

Total Power 12W
Input Voltage 12 V DC
LED Initial Flux 1200 lm
Colour White, Warm white

Autonomy

2 days

Special Feature

Dusk to Dawn
Operation

All Street lights are of IP 65.
Also available in 09W, 18W, 21W and 24W; customized designs.

Lemis Electronics

Industrial Lights

LEIPL- DC HL-7W-24V-AC

Total Power
LED Initial Flux
Colour

7W
770lm
White, Warm white

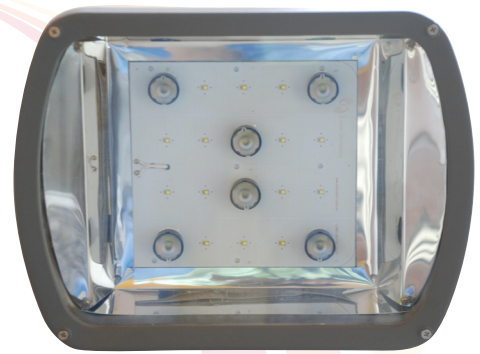

Flood Lights

LEIPL- DC FL-60W-AC

Total Power
LED Initial Flux
Colour

60W
660lm
White, Warm white

Also available in 30W, 70W, 90W, 120W and 150W
AC/ DC versions & customized designs.

Industrial Lights – Hi-Bay Lights

LEIPL-DC HBYL-90W-AC

Total Power
LED Initial Flux
Colour

90W
9900lm
White, Warm white

Also available in 60W, 70W, 100W, 120W and 150W
AC/ DC versions & customized designs.

Home Lights

Solar Lantern

LEIPL-HOME LIGHT-13W-24V-AC

LEIPL-SOLAR LANTERN-7W

Total Power
LED Initial Flux
Colour
Life

7W
770lm
White, Warm white
>50,000 hrs

Total Power
LED Initial Flux
Colour
Life

7W
770lm
White, Warm white
>50,000 hrs

Special Features:

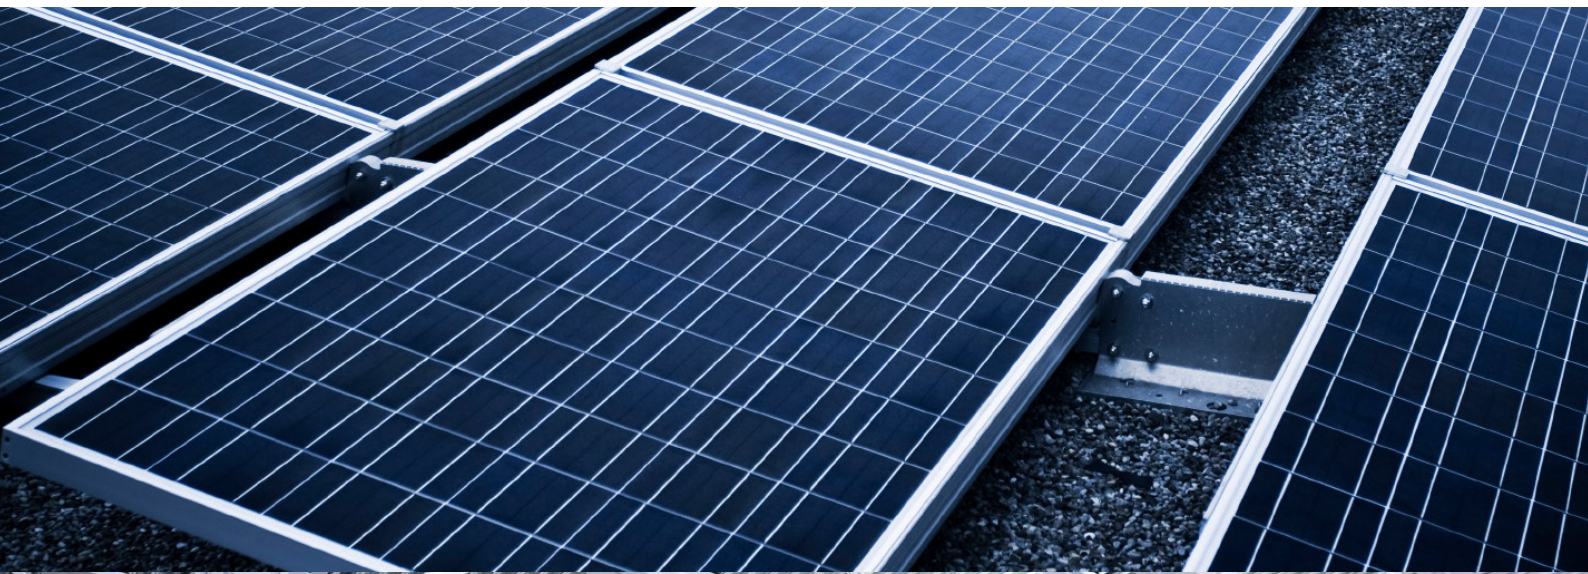

- Back-up 12 Hrs
- Energy Saving Modes Available
- Mobile Charging provision
- Dusk to Dawn operation Inbuilt

Benefits of LED Lights

1. Long Life ; >50,000 hrs
2. Energy Efficiency
3. Ecologically Friendly
4. Durable Quality
5. Zero UV Emissions
6. Design Flexibility
7. Operational in Extremely Cold or Hot Temperatures
8. Light Dispersion
9. Instant Lighting & Frequent Switching
10. Low-Voltage
